

# POPCORN MACHINE

## INSTRUCTIONS

---

### STEP 1

Turn all switches to the **ON** position.

### STEP 2

Allow empty kettle to heat 2-3 minutes.

### STEP 3

Insert butter package and allow butter to melt.

### STEP 4

Add popcorn kernels and close lid on kettle.

### STEP 4

While popping final serving of popcorn - as kernels begin to pop - **TURN THE KETTLE HEAT OFF!**

**\*One packet of popcorn will serve  
10 cones or 30 bags.\***
