

ICE CREAM CART

Includes: Main Unit, Umbrella, Hinged Lid, Bottom Liner

INSTRUCTIONS

STEP 1

Place a 1/2 block of dry ice (6" x 6" x 12") in the bottom of the cart 20 minutes before putting in the ice cream. The dry ice will keep the cart cold for 24 hours.

STEP 2

When finished with the cart, use the bottom drain to empty water.

AFTER HOURS:

Contact your local branch.

NOTE

Dry ice is not included.

The cart holds two five-gallon containers of ice cream as well as frozen novelties.
