

# STERNO HOT BOX

Includes: 15 Sheet Pans

## INSTRUCTIONS

---

### STEP 1

Begin by using four Sternos in the hot box.

### STEP 2

The four Sternos will heat the box to approximately 160°F, depending whether the box is used indoors or outdoors.

### STEP 3

To increase the temperature, add more Sterno.

### Cleaning

Throw all debris and used Sterno away. Place all sheet pans back into the hot box.

### AFTER HOURS:

Contact your local branch.
